FRIDAY.....OCTOBER 29, 1880.

FOR PRESIDENT,

JAMES A. GARFIELD,

Of Ohio.

FOR VICE PRESIDENT,

CHESTER A. ARTHUR,

Of New York.

WHAT A REPUBLICAN VICTORY WOULD ENSURE.

The result of a Republican victory on Tuesday next is faithfully portrayed in the following article, taken from the San Francisco Bulletin:

"It would ensure the final extermination of the secession heresy, which, under different and covert names, has been ingged into the issues made by the Southern wing of the Democratic party. State Rights, Solid South, the ostracism of Republicans in the Southern States are the outcroppings of this heresy. The Charleston News has had a standing article in its columns advising its readers if they want anything in the way of services to always employ a Democrat. If they want to buy anything always buy of one whose politics are of this sort. It goes through a list of twenty particulars, advising in each the business ostracism of Republicans.

Now, if such a standing editorial recommendation were to appear in any Republican paper, it would be set down as the scandal of the times. The policy of the Charleston News, which represents the average Democratic newspaper of the South, is to hold as enemies, politically and socially, all who do not vote the Democratic ticket. Political ostracism was never before carried to such an extent in this country. The spirit is not only intolerant but it is the old spirit of secession, sometimes cropping out in the violence of the Ku Klux, and sometimes in such political scrofula as the News exhibits.

Now a National Republican victory is about the only cure for this spirit. It would impress the country the fact that such phase of politics with more emphasis than ever upon the ought never to be national. The effort to make it so resulted in the late civil war. The renewal of that effort now is fraught with mischief to the country. What is needed now is the triumph once more of a national spirit over sectionalism. After such a victory, these sectional issues, now brought forward by Southern Democrats and tacitly indorsed by Northern ones, will be cast aside as so much political garbage. The emmigration from politics of all the heresies of the Democratic party might involve its very existence. But that contingency is involved in the approaching election. For twenty years the Republican party has been defeating these heresies before the people. If the final defeat is effected a week hence, perhaps no better result could be asked for the future prosperity of the country."

Free Trade and Pauper Labor.

The Democratic platform asserts that there must be "a tariff for revenue only." This means free trade. Free trade means pauper labor. If any one doubts it let him consider the following rates of wages paid in Europe, where free trade prevails:

The weekly wages of tailors in Europe are $4 to $7.

The weekly wages of shoemakers in Europe are $3 to $7 50.

The weekly wages of carpenters in Europe are $5 to $8 50.

The weekly wages of cabinet-makers in Europe are $5 to $9.

The weekly wages of porters in Europe are $3 to $5; and other workingmen in proportion.

Do the workingmen of Nevada want this pauper system of labor substituted? If not they will give their votes to the Republican party, whose platform calls for "a tariff that will discriminate in favor of American labor."

A dispatch from New York says: A visitor from Governor's Island reports that Hancock is quiet and gloomy and has abandoned all hope of election, and is sorry he ever entered the fight. He is especially distressed by the cartoons and newspaper attacks.

Chalmers of Mississippi calls for a revival of the Methods of 1876, saying that the Democracy "has not a man or gun to spare."

The official returns of the Ohio election show the highest Republican majority to be 23,355, and the lowest 19,055.

Solid North, 231 electoral votes; solid South, 138 electoral votes. Garfield's majority, 93.

OUR TICKET.

A BRIEF REVIEW OF THE REPUBLICAN NOMINEES.

The State, County and Township.

Garfield and Arthur are the names justly entitled to head the Republican ticket, the names of our Electors being R. H. Taylor, O. H. Grey, E. A. Morton.

W. H. BEATTY

Is the Republican nominee for Justice of the Supreme Court. His record in the past is the best guarantee of his future conduct. A pure man; an upright Judge, he is the one the people should delight to honor. He is a credit to the Bench.

R. M. DAGGETT

Deserves to be re-elected to Congress. He has been the best and brightest Representative the State has ever had. The one term he has been there has made him acquainted with the members and given him an insight into the manner in which business is conducted. To change him off now for a new man would be of detriment to the best interests of the State.

THE COUNTY TICKET.

The ticket nominated by the Republican County Convention is one of the very best ever presented. This was to have been expected, from the character of the men composing the Convention, who were nearly all intelligent citizens and large taxpayers, and it was reasonable to surmise that the candidates would be men well qualified to discharge the duties of the respective stations, fair representatives of the principles of the party, and calculated to be worthy of the suffrages of the voters.

LEGISLATIVE.

For State Senator we have Dr. Alson Dawson, the peer in character and intelligence of any man in the county. The Dr. is not only a gentleman, but an educated gentleman, and in the State Senate would at once assume and maintain a leading position He would be a credit to the county. The best interests of the Republican party and Washoe county demand his election.

Frank Bell will make an excellent Assemblyman. A careful reader and thinker is Frank, and he is as familiar with State affairs as anybody; understands fully the needs and requirements of Washoe and will work for us like a beaver. Mr. Bell is well known all over the State, and by reason of his extended acquaintance will be enabled to wield more influence than one who is a perfect stranger. There will not be a better man in the Legislature than Frank Bell.

Pete Markel is also a first-class man for the Assembly, and his nomination was a deserving tribute to him not only as a man, but in recognition of his services to his party and his county. Pete has always spent his time and put up his money for any and every thing which would benefit this county. He is a live business man, as is attested by the successful manner in which he has managed the large undertakings in which he has been so frequently engaged. He is a true man, and being one of our largest taxpayers will be certain to work for whatever he considers will be best for the people.

Tom Herman, of Wadsworth, is an old and respected citizen, and the people can rely upon his doing exactly right. He has served the people before and they know him thoroughly.

These four men are all possessed of good judgment and positive convictions and working together, as they will, will be able to accomplish considerable good for Washoe county.

FOR SHERIFF.

Mr. A. K. Lamb is the Republican nominee for Sheriff. Through an unfortunate combination of affairs he was defeated at the election in 1878. A large number of men who voted against him then now intend to support him, and our belief is that he will be the next Sheriff of Washoe county. He is familiar with the duties of the office, and things will go on under him just like clockwork. The Republicans are in a majority in this county, and the Sheriff's office is one of more or less political power and no matter how much or how little there is in it, it should be wielded by the dominant party. Therefore should Lamb be elected.

FOR COUNTY CLERK.

The Republican nominee for County Clerk ought to be and will be elected. He is emphatically a Washoe county boy, having lived here since he was 11 years of age, he now being 28, and during all that time he has lived an honest, upright life. He is a young man worthy of every confidence; a boy who appreciates the honor conferred upon him by the Republican Convention, and if elected by the people, will show by his acts that he was deserving of it. He is as competent to perform the duties of Clerk as anybody we know of, and we feel satisfied that if the people once put him in that office it will be a long time before they will remove him.

FOR ASSESSOR.

W. F. Everett was complimented with a renomination for Assessor by the Republican County Convention. Mr. Everett's experience in that office during the past two years will enable him to perform the work better in the next two years, for he is now familiar with the property of the county and its value, and can therefore make a fair, impartial assessment. He has been prompt in the past, and will do his utmost to give satisfaction in the future.

LONG TERM COMMISSIONER.

Though a few dissatisfied malcontents desired to shelve him, the Republican Convention renominated Tom Hymers for Commissioner by a large vote. He may have made a few mistakes, but take it all in all, and Washoe county has never had a better Commissioner than Tom Hymers, and we know the temper of this people too well not to know that he will be re-elected by a large majority, for now that we will soon be working under the Salary Bill, his services will be of more value to the taxpayers than ever.

SHORT TERM COMMISSIONER.

Nat Holmes, of Franktown, is the Republican nominee for short term Commissioner. There are but few people in this county who do not know Nat. He has lived here since the flood; has held office before, and possesses in an eminent degree those qualities which fit a man to be a County Father.

FOR RECORDER.

T. F. Laycock will make a good Recorder, and if Republicans will give him their support, as they should, he will be the next occupant of that office. He has the necessary qualifications to discharge the duties of that office, and if elected, will strive with might and main to please his constituents. A Union soldier, he is entitled to consideration; a good penman and first-class accountant, makes him eligible; a true-blue Republican, his party ought to stay with him.

TREASURER.

Dan Boyd gave the people and his party so much satisfaction that the Convention nominated him by acclamation, a deserved compliment to a faithful officer. Dan. just fills this Treasurer's office to a T, and he will have no trouble in giving a bond when he takes the position for a second term, which he will surely do on the first Monday in January.

DISTRICT ATTORNEY.

Tom Julien, the Republican candidate for District Attorney, is in every respect deserving of the suffrages of the voters of Washoe county. He was District Attorney of Humboldt county for one term, and made a most efficient officer. He is a true blue Republican.

SURVEYOR.

J. D. Parks, the nominee for Surveyor, is perfectly competent to discharge the duties of that office. There is not much to do, but what little there is will be well done by Parks.

SUPT. OF SCHOOLS.

We know of no one in the county we would rather see Co. Supt. of Schools, than W. R. Jeavey, who loves the common school system as the apple of his eye, and although a clergyman, will never allow anything savoring of sectarianism to influence his administration. Mr. Jeavey is also a practical teacher, another very important consideration. He will take delight in faithfully discharging the duties pertaining to this office.

PUBLIC ADMINISTRATOR.

Billy Dickens will make an efficient and honest Public Administrator, and any estates left in his charge will be economically administered. The people can rely upon this important office being run in the right channel by W. H. Dickens.

TOWNSHIP NOMINEES.

The Republican nominees for Judge and Constable of Reno Township are W. H. Young and R. Nash. Judge Young has made a good Justice, and we believe that the interests of the public have been carefully looked out for by him. We hope that he will be re-elected. Richard Nash is well qualified for the office of Constable. He was formerly Sheriff of Humboldt county, is a man of family, and morally, without reproach. He is a true-blue Republican, and deserves the vote of every member of his party.

LET THERE BE NO DEFECTION.

[From the Carson Appeal.]

The anti-Sharon feeling need not have the slightest effect on the legislative ticket in any county in Nevada. The first duty of every Republican is to beat Fair; and the next, to beat Sharon. It is all nonsense to consider that Fair and Sharon are the only two candidates in the field. Fair is the only Democrat; and on the Republican side are men who are still claimed by their friends to be before the people: namely, Tritle, Wren, Woodburn, Whitman and Sharon. The assertion that the holdover Senators are for Sharon has had the effect, in a measure, of discouraging the opposition. This is not true. The anti-Sharon feeling has become so marked during the past few weeks, that there is a strong probability, amounting almost to a certainty, that if the next Legislature is Republican, Sharon will not be the next choice for Senator. It is also not improbable that the Democrats elected on Fair's ticket will combine with the anti-Sharon men and unite on one of the four candidates now before the people on the Republican ticket. With these possibilities in view, let no Republican scratch a single name on the Assembly ticket.

HOSTETTER'S CELEBRATED

STOMACH BITTERS

The accumulated evidence of nearly thirty years show that the Bitters is a certain remedy for malarial disease, as well as its surest preventive; that it eradicates dyspepsia, constipation, liver complaint and nervousness, counteracts a tendency to gout, rheumatism, urinary and uterine disorders, that it imparts vigor to the feeble, and cheers the mind while it invigorates the body.

Census Returns.

U. S. Census Marshal Ferguson informs us that the complete census returns of the State will be ready for publication in a few days. The agent appointed for the Winnemucca district neglected to do his duty. Two new enumerators have been put to work, and the returns will be in in about ten days. The JOURNAL will then be furnished the re . . . . to the State

Wadsworth Dance.

It is the wish of the Wadsworth dancing school that the ladies and gentlemen of the dancing fraternity of Reno go down by the special train this evening, and join them in a dance after the Democratic speaking. The Republican meeting is on Saturday night and they can hardly have a dance for fear of infringing on the Sabbath.

Nevada Monthly.

The Nevada Monthly for October is out. It contains the usual amount of interesting mining and statistical matter, stories, sketches, historical and political notes, with a large amount of useful miscellaneous knowledge. Many of the tables of statistics are worthy of preservation by mining men and others.

The Lake Case.

This divorce suit is not making extraordinary progress, and it is very apparent that it will not be concluded for a week yet Yesterday Mrs Lake, Mrs. Thompson, Miss Wall, Mr. Bryant and Mr. Wilms were examined as witnesses. Wm. Thompson will be the first witness called this morning.

Growing.

The sign "To Let" is not visible in many places in Reno now. One month ago Martin, the real estate agent, had more than 30 houses to rent; at the present time he has only five. This shows that our town is growing all the time.

H. H. Beck delivered his speech on "Local Politics" at the Theater last evening, and the curiosity to hear him attracted a large audience. His speech was a mixture of all the ills which have affected him in years gone by, and his "bil ," in many instances was quite rich.

The case of Dudley Haskell, charged with manslaughter, in having shot George Schwartz over a year ago, has been peremptorily set for trial in Department No. 11 of the San Francisco Superior Court, November 8th.

Mr. Fulton, editor and proprietor of the Gazette, is doing splendid work in this campaign for the Republican cause, not only though his paper, but by his efforts on the stump.

Beck, last night, referred to us as the "screw-driver." We screwed it into him by 296 at the last election. That's what has given him "worms."

The Benton Consolidated Mining Company has levied an assessment of 50 cents per share.

Hon. Jackson Ferguson, of Churchill, was in town last evening.

Several of the Democratic candidates took in Verdi yesterday.

Stocks are still on the downward grade.

Roll of Honor.

The following is the Roll of Honor at the school for Girls for the month ending Oct. 23, 1880: May Benham 100, Isabel Osborne 99 2, May Cara 99. Hattie Lewis 99, Frankie Grippin 98.6, Louise Sissa 97 8, Carrie Webb 97.7, Ella Bishop 97.6, Vienna Dollerhide 97.6, Lydie Jennings 97.6, Evlyn Wagner 97.2. Grace Dowdell 96 5, Mollie Rolfe 96.3, Gertrude Hazlett 96.2, Louisa Schnorf 96.

The Railroad North.

We are gratified to knew that General Hatch has received a telegram from Col, Moore, contractor of the Nevada and Oregon Railroad, now in New York, stating that he had ordered the rails and rolling stock for the road Col Moore will shortly be in Reno, and work on the road will be commenced immediately after his arrival.

Arm Broken.

Mr. B. F. Rhodes had the misfortune to break one of his arms just at the elbow joint, yesterday morning. He was at work on his ranch at the time, but exactly how the accident happened we did not learn.

There is but little business in the Justice Court, and Young is hoping that he will be elected next Tuesday, so that if there is any to be done in the future, he will have the "bossing" of the job.

The "Oasis" is just outdoing itself on the lunch question. Baked trout is the latest palatable dish Bechtel is doing the square thing by his patrons.

The Democrats will have a grand blow-out at Wadsworth to-night. A special train will leave Reno at about 4 o'clock.

Election ballots will be printed at the JOURNAL office at the following prices: 1,000, $10; 500, $7 50; 250, $5; 100, $2 50.

The next regular meeting of McPherson Post, G. A. R. will be held Nov. 8th, instead of the 1st.

Judge Beatty came in from the East last night He goes to the Comstock this morning.

The Final Symptoms

The campaign lie is the final symptom of party degradation and decidence. The worst of this class makes its appearance usually about two weeks before the day of election. There is a succession of these uttered so late in the canvass that a complete refutation cannot reach all parts of the country. Thus, the stupid lie about Garfield and the Chinese, took the shape of a clumsy forgery, and was sent out at a date to prevent, if possible, a complete refutation in remote districts. The letter reported to have been written by him has now been proven to be a forgery The writing, the phraseology of the letter, the cancelling stamp, the party purporting to be addressed, the association which he purported to represent are all fictions and frauds When these facts have been clearly established, Democratic organs still reiterate the falsehood. The Examiner of this city, says the San Francisco Bulletin, upon which this article is taken, with the proof before it that the document is a forgery—proof which would convince any honest jury, still assumes that Garfield wrote the letter. This may be taken to be a specimen campaign falsehood. There are a dozen others afloat which are about as wicked, and the parties which set such falsehoods afloat miscalculated the result. They proceed on the theory that a lie well told is as good as the truth, and that it can be made to serve a revolutionary purpose.

The campaign lie is illustrates the extent to which the party conscience may be debauched. It accomplishes nothing beyond exasperating a large number of honest men. The bogus letter about Garfield and the Chinese ought, as a matter of justice, to change thousands of votes against the party which set it afloat. It was intended to have a special influence in California. If the result in this State could be changed by ingenious campaign lie, which involved the crime of forgery, the motive would not be wanting. There is now only a week intervening before election—time enough for a number of very ingenious falsehoods "Startling disclosures" are now in order. They will naturally come from the party whose prospective fortunes are the most desperate. If a candidate could be defeated by a plausible falsehood, it would certainly be invented and uttered. But up to this time the fictions which have been invented are not very plausible. They are convenient enough, and they illustrate the recklessness and dishonesty of party management. Beyond this, the campaign lie is not likely to be productive of any tangible results.

It is learned, that the Democratic National Committee intend to withdraw Hancock's name in Iowa, and the entire Democratic vote will be cast for the Greenback Electors, which, it is hoped, will deprive Garfield of the eleven votes of that State

Besides this we have only one price. We have no preferred customers. Everybody is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of the State Everything we have is new. No old, musty and out of-date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices and examine our stock before going to those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. We make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of deceiving the public. One must make a profit to live. DR. WM. HALL'S BALSAM

Cures Colds, Pneumonia, Bronchitis, Asthma, Croup, Whooping Cough, and all diseases of the Breathing Organs. It soothes and heals the membranes of the Lungs, inflamed and poisoned by the disease, and prevents the nightsweats and tightness across the chest which accompany it. CONSUMPTION is not an incurable malady. It is only necessary to have the right remedy, and HALL'S BALSAM is that remedy. DON'T DESPAIR OF RELIEF, for this benign specific will cure you, even though professional aid fails.

Dr. M. H. Hinsdale,

Kewanee, Ill., advises us of a remarkable cure of Consumption. He says:

"A neighbor's wife was attacked with violent lung disease, and pronounced beyond help from Quick Consumption. As a last resort the family was persuaded to try HALL'S BALSAM. To the astonishment of all, by the time she had used one half dozen bottles she was about the house doing her own work. I saw her at her worst stage, and had no idea she could recover."

Democratic County Platform.

The Democracy of Washoe county in convention assembled declare as follows:

That we, the Democracy of Washoe county endorse and reaffirm the principles enunciated in the platform of the National Convention at Cincinnati, in June last, and also our State Convention at Winnemucca, and heartily approve the lines of government therein marked out.

Resolved, That we recognize in our candidate for Congress Hon. G. W. Cassidy, an able statesman and tried gentleman, one who, as Senator in our councils has always fearlessly maintained our principles and labored for the best interests of our State and we pledge that if elected among his first legislative acts shall be to introduce such a measure as will make completely operative and effective that plank of the national platform which demands the prohibition of Chinese immigration, and that we cordially invite to the support of our candidates every voter of whatever political creed, who sincerely desires that our laboring classes may be forever relieved of the curse of coolie competition, and cite to them the fact that relief can only come from a Democratic Congress and a Democratic President.

Resolved, That in the person of Judge C. H. Belknap we have an eminent jurist, one that is tried and true, and we point with pride to his past record.

Resolved, That the Democratic party has always maintained that none but residents of Nevada should represent her in the national council and we deprecate the practice inaugurated by Jones and followed by Sharon of corrupting by the free use of money, the elective franchise of a free people and we call upon all Democrats and honest Republicans to come boldly forward and assist in wiping out this stain upon the fair name of our young and growing State.

FOR JUDGE OF THE SUPREME COURT:

FOR CONGRESS:

ROLLIN M. DAGGETT.

Resolutions Adopted by the Republican State Convention:

Resolved, That the platform of principles adopted by the National Republican Convention at Chicago in June deserves and receives the approval and hearty endorsement of all Republicans of Nevada.

Resolved, That the hordes of Chinese that are coming in upon our shores to eat our substance are destroying our country, impoverishing our mines, miners and laborers, debauching our youth and making both men and women lower in the scale of humanity. This evil must and shall be stopped, and to this end we pledge the entire strength of the Republican party. In the language of our great leader we regard the immigration of Chinese to the United States as little less than a servile invasion. So that the commissioners now in negotiation with the Chinese government fail to secure by the first of next January such a modification of the Burlingame treaty as will practically put an end to the influx of Chinese to this country we demand that the treaty then be promptly annulled, and such laws enacted as will relieve us at once and forever of the Asiatic scourge now menacing the well being of the Republic.

Resolved, That we most heartily indorse the general financial policy of the Republican party, which, in spite of every opposition on the part of the Democracy, has led to the resumption of specie payments, the raising of our national credit to a height never before known and the restoration of National prosperity. But we also demand the complete restoration of silver coin to its former position by the side of gold and for the purpose of attaining that end we hold it to be the duty of the General Government, through the authorization of Congress, to coin into standard dollars or other legal tender currency at the cost of coinage and for the benefit of the producer, the entire produce of the country and relieve the mining industry from the loss attending the shipment to, and sale of silver bullion in foreign markets. As mining for the precious metals is the leading industry of Nevada we are inflexibly opposed to the bill reported by the Committee on Mines and Mining and now before the House of Representatives prohibiting the following of lodes by the apex to any point beyond the lines of surface boundaries and we urge our representatives in both Houses of Congress to continue their efforts to defeat it. Such a restriction would work disaster to the labors of the prospector and seriously retard the development of the mineral riches of the West and we cordially endorse the action of our Representative, the Hon. R. M. Daggett in this behalf.

Resolved, That the Republican party claims it to be the right and duty of the State and Territorial Legislatures to regulate and restrict the charges of railroads exclusively within their respective boundaries, and that it is no less the constitutional right than positive duty of Congress to regulate tariffs and restrict the charges of inter-state railroads.

Resolved, That while we congratulate the country on the successful resumption of specie payments and the splendid financial condition of the Republic, we are in favor of restricting the issuance of National and State legal tender notes of denominations of not less than five dollars thus creating an increased home demand as a circulating medium for the precious metals which our mines are annually yielding.

Resolved, That General James A. Garfield and Chester A. Arthur by their services to the country by their devotion to principle and by their unspotted reputation as men and as citizens are deserving of united and earnest support of all the loyal people of the United States for President and Vice President. We rejoice in their nomination and pledge to them the Electoral vote of Nevada at the ensuing election by an overwhelming majority.

REPUBLICAN COUNTY PLATFORM.

Resolved, That we most heartily endorse the principles as enunciated by the National and State Republican Platform.

Resolved, That we recognize in James A. Garfield and Chester A. Arthur, the Republican nominees for President and Vice President, pre-eminent worth and ability. Their past record, patriotism and services give assurances of their fitness for the positions to which they have been nominated, and that they should and will have our earnest and united support.

Resolved, That in R. M. Daggett the Republican party has given the people of Nevada an able and industrious representative, and in Wm. H. Beatty an honest and fearless Judge, and we will endeavor by united work to secure their re-election.

Resolved, That the Republican party ever has encouraged and supported free and intelligent labor, and ever will endeavor to restrict the unrestricted immigration of Chinese to our shores and to promote the happiness and well being of the laboring classes of this nation, and fully recognize the self-evident fact that our national growth, grandeur and prosperity are the results of free labor.

Resolved, That the principles of our government can only be upheld and perpetuated by a full free and fair ballot and that to secure and protect the right of suffrage to every citizen it is our duty to discountenance and condemn any violence or attempt at interference with this sacred right, and that every lawful measure should be invoked to secure this right to every citizen.

Resolved, That in view of the fact that the Republican party has ever been true to its trusts in the past, our national prosperity and welfare demand a continuation of its rules.

Resolved, That it is the duty of every Republican to give his support only to men whom we are assured will guard and protect the interests of the people and advance and promote the educational interests and manufacturing agricultural, mining and other industrial pursuits of our people.

Resolved, That the Republicans of Washoe county favor a change in the office of United States Senator, and that our Representatives and Senators be instructed to vote as a unit on all Senatorial questions and endeavor to secure the election of a man whose home is in Nevada.

Resolved, That we pledge the Republican party to use every effort to reduce the expenses of our State government and that we are opposed to the repeal of the the County Treasury Bill.

Resolved, That we are opposed to the so-called "Commerce' License Law" and would recommend its repeal or the reduction of the license to five dollars per month.

Resolved, That the Republican party of Washoe county extends a cordial invitation to capitalists to come here and build quartz mills, open mines, run irrigating ditches and lay railroads and we promise equal and exact justice and fair dealings to all.
